

REMINDER TO USE YOUR CARD OVER THE SUMMER

EARN 5% just by buying your groceries!

To help offset the cost of playing hockey, FHHA has enrolled in BUSCH'S, KROGER, and HILLERS Grocery fundraising Programs which offer us (you) up to 5% back from purchases paid for using the rechargeable gift cards at any Busch's or Hiller stores and a registered Kroger Plus card at Krogers. We will credit all of it toward your next ice bill. Any questions, please contact us at info@fhhahockey.org

Recharge your card at the check-out (credit/debit cards, check, cash), pay for your groceries with the gift card and get 3-5% (3% if recharging with a credit card) back. You can recharge your card before or after they have rung up the groceries.

You must recharge your card at the check-out BEFORE they have rung up the groceries. You will get 5% back from every recharge. If you put too little on, pay the rest your normal way, if you put too much – it will be there the next time.

You register your Kroger Plus card on-line with Krogers and select FHHA as your non-profit. Email us your Kroger plus card # along with your hockey player to receive the credit. Register online at www.krogercommunityrewards.com FHHA number is 83309
